***Eligible horses must meet the following criteria:***

- ❖ Must pass our veterinarian’s soundness evaluation, deeming them fit for our retraining program.
- ❖ We will not accept horses requiring surgery other than castration; no horses with kissing spine, chips in the joint, and/or neurological issues requiring surgery to be sound will be accepted.
- ❖ If a horse is rehomed or becomes diseased within the first 6 months of coming into the program, we will take another (that meets the eligibility criteria) for no additional fees.
- ❖ Monthly sponsorship shoutout/update on the horse in the program via social media with video/picture

***\*\*\*An alternative option is to sponsor one of our "lifers" for the sponsorship period\*\*\****
